

**DR. TOWNSEND'S SARSAPARILLA!**  
MOST EXTRAORDINARY MEDICINE  
IN THE WORLD.

This EXTRACT is put up in outer bottles. It is very nice, chearful, pleasanter, and watery superior to any and less expensive than what is now selling, purgative, & stimulating the system.

The great beauty and superiority of this Sarsaparilla over all other remedies, is that it does not irritate the body.

IT HAS PROVIDED MORE THAN 10,000 CURES THIS YEAR.

1,000 cures of Rheumatism.  
1,000 cures of Diarrhoea.  
1,000 cures of General Debility and Want of Nerves.

2,000 cures of Complaints, and over 7,000 cures of Diseases of the Blood, etc.

1,000 cures of Scrofulosis, scrofulous pimples on the face, &c., &c., to those with numerous cases of consumption, liver-complaints, spinal affections, &c. This is the most remarkable extract ever made, and has been used by physicians and our agents from all parts of the United States informing of extraordinary cures. R. Van Buskirk, Esq., says "I have seen no extract equal to it, and can say nothing but good of it." He can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the city of New York which will refer to with pleasure, and with the highest commendation.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving letters from physicians in different parts of the Union.

"It is to certify, that we, the undersigned, Physicians of the most eminent rank, in every part of the country, have used this remedy, should not grow impatient or become too sanguine in their hopes of a rapid restoration to health, as its efficacy depends numerically upon the strength of constitution and the length of time that disease has prevailed; therefore we would caution you, to take a few doses daily, and never to commence before you have fully determined to continue its use, whether it be one month, a dozen, or more, as no two cases are exactly similar, or can be relieved by any stated number of applications."

Accompanying certificates are from gentlemen of the most eminent rank, in every part of the country, from those abroad, to whom I would refer all those who are in the least doubtful. Hundreds of testimonials can be produced as to efficacy, but as they are seldom or ever read, or credence given to them, I have thought a few respectable certificates, coming from gentlemen well known would suffice.

CERTIFICATES.

Sir: Having, through the agency of your son, obtained a copy of your Extract of Sarsaparilla, I am anxious to make all acquainted with my case, as it may be to you, that I have recently witnessed, in several cases, the most beneficial results from your EXTRACT OF SARSAPARILLA. I have engaged in the practice of medicine, however, for many years, and never before, have I seen such a removal of diseases arising from a deranged state of the digestive organs, kidneys, &c. It has exceeded my expectations, and I can refer to the public. You will receive my best regards.

It has exceeded my expectations, and I can refer to the public. You will receive my best regards.
